AI Tools

## Software Engineer

Computer Science graduate and Master’s student with a strong interest in Quality Assurance (QA) and Software Testing, including manual and automated testing. Familiar with Playwright, Cypress, and JavaScript, with additional knowledge of frontend development using React.js and Next.js. Motivated to improve software quality, identify defects, and continuously develop testing skills, including AI-assisted testing and modern QA automation tools.

**04/2026 - 10/2026** — ***Truck Driver*** **/ Hofer Gastro Shop - Neuhofen an der Krems, Austria**

**10/2024 - 03/2026** — ***Truck Driver*** **/ Christoph Reder KG - Hörsching, Austria**

**10/2023 - 9/2024** — ***Truck Driver*** **/ 4WHEELS® Services GmbH - Stuttgart, Düsseldorf**

**02/2022 - 06/2023** — ***Frontend-Developer*** **/ Endava - Romania**
